MENDRAMEN FOR: Chairses, Quided Missile Intelligence Counities

SUMMET:

Cooperation Between Cuided Missile Intelligence Committee and Scommic Defence Intelligence Committee

- 1. Thank you for your memorandum of 7 March 1956 regarding the establishment of the Ouided Fissile Intelligence Counities. The Economic Defense Intelligence Counities will be pleased to cooperate fully with your Counities in such areas as are common to our respective responsibilities.
- 2. The Sconomic Defense Intelligence Committee is charged with providing intelligence for policy and operations relating to the economic defense programs of the United States. There are several aspects of our program which may be of interest to you and in which cooperation between our Committees may be productive.
- 3. The Economic Defense Intelligence Constitute has recently proposed a more systematic identification of commodities now available for export to the Soviet Moc which have substantially increased in strategic importance because of new scientific and technological developments. It is to be expected that a number of such developments will relate to the field of guided missiles. Because of its interest in new strategic uses, the Sconomic Defense Intelligence Committee has established a Working Group on Propellants and Puel Additives. This working Group will make use of guided missile intelligence within the scope of its special responsibilities, and may wish to call upon the Guided Missile Intelligence Committee from time to time for essistance in coordinating its intelligence production efforts.
